

CLPS-021: IPPE I

The primary goal of Introductory Pharmacy Practice Experiences (IPPEs) is to provide the student with an opportunity to experience a broad range of pharmacy practice experiences early in the student's academic career. IPPEs are characterized by various assignments provided to students from their P1 through P3 including actual practice experiences in community and institutional settings. IPPE provides an introduction to the profession and continue in a progressive manner leading to entry into Advanced Pharmacy Practice Experiences (APPEs) that they will complete during the fourth professional year.

Credits: 4

Prerequisites:

Successful completion of all courses in the first professional year, the IPPE I Rotation, and Co-curricular Requirements.

Program: Clinical & Pharmacy Science
