

CLPS-301: Emergency Preparedness for Healthcare Providers

The purpose of this course is to train health care professional students on their role in preparing citizens to be better prepared to respond to emergencies in their communities. This course will train students to provide critical support to first responders, immediate assistance to victims and help organize spontaneous volunteers at a disaster site. Lastly students will learn how to coordinate outreach efforts to improve community resilience. Completion of this course will help meet the training requirements to be a volunteer for the Capitol City Pharmacy MRC.

Credits: 3

Program: Clinical & Pharmacy Science
