

NTDP-626: Principles of Pharmacy Administration

This course is an expansive and in-depth Introduction to Pharmacy Administration. It facilitates the student's management and leadership training by introducing them to a comprehensive overview of management and leadership principles, concepts, and practices in pharmacy-based environments. The course further addresses the economic, administrative, entrepreneurial, innovative, and human resource aspects of pharmacy practice while furthering students' knowledge on details about the US Health Care System.

Credits: 3

Program: Non-Trad Doctor of Pharmacy
