

SWDS-310: Community & Organization Practice

(Differential Foundation course, Practice Methods II) Deepens the conceptual base introduced in SWDS-100. Examines multilevel needs and strengths of diverse peoples, organizations, and communities. Focuses on community, organizational and administrative practice theories, assessment and approaches. Uses conceptual and practice models and cases to understand use of relationship, power and influence in CAP (Macro) practice. Explores leadership styles and roles as social workers in CAP (Macro) practice.
