

Electrical Engineering (MEng) - Thesis

Program: Electrical Engineering

Type: MEng

EECE-599 Thesis Courses (for Thesis Option)

***Note: A maximum of 6 thesis credits may be taken per semester. In addition, a maximum of 6 thesis credits may be counted toward the required credits for program completion.**

Item #	Title	Credits
EECE-501	Graduate Seminar	0
EECE-502	Engineering Analysis A	3
EECE-503	Engineering Analysis B	3
EECE-541	Probability and Random Variable	3
EECE-604	Optimization Theory	3
EECE-599	Thesis Course	6
	Sub-Total Credits	18

Electives

Options: Courses under subject code EECE at level 500 and above

Thesis Option 12 crs

Item #	Title	Credits
	Electrical Engineering Elective	
	Sub-Total Credits	12
	Total credits:	30
