

THEO-310: Systemic Theology II

This Course will pursue further the basic objectives outlined in SYSTEMATIC THEOLOGY I, which will normally serve as a prerequisite. The various theological perspectives on the doctrines of the Christian faith will be treated critically and systematically. Major doctrines (or themes) will include God, Jesus Christ, Holy Spirit, Theological Anthropology, Sin and Salvation, Church, Sacraments, Mission, Ministry, Eschatology, Religious Belief and the Natural Sciences. Students will also be required to write a Credo Paper, based on their presumed mastery of the theological sources and methodology. ♦
