

# BisonWeb

BisonWeb ([https://ssb-prod.ec.howard.edu/PROD/twbkwbis.P\\_WWWLogin](https://ssb-prod.ec.howard.edu/PROD/twbkwbis.P_WWWLogin)) is the official self-service portal that all students should use to review student accounts and financial aid; course registration each semester; academic records; and apply for graduation.

## Contact Information Requirement.

Upon enrollment students must report all appropriate addresses via BisonWeb. Grades, material for registration, and other materials will be mailed periodically to the student's local address. Failure to maintain a current address with the Office of Enrollment Management/Records may not be used as an excuse to avoid late registration fees or discharge.
