

Course Overrides

The course override capability exists for the sole purpose of accommodating those relatively few students who are given permission to either (a) enroll in a class that is “closed,” or (b) enroll in one or more classes that have reasonable time conflicts within the student’s schedule.

Course overrides must be approved by the person(s) designated by course instructor and the Dean or his/her designee of the respective School/College in accordance with procedure(s) established by such School/College/Division.
